Re: Review Request 173-18170-00005
SSOA: 173-10203-00005

Dear Mr. Hubbard:

On November 6, 2003, the Office of Air Quality (OAQ) received your letter stating that Indiana Hardwoods is adding a Torit/Donaldson 72HPH baghouse to the existing woodworking operations at the stationary woodworking source, located at State Highway 62, Chandler, Indiana 47610. The new baghouse will be operated in compliance with all requirements of the existing Source Specific Operating Agreement (173-10203-00005) for the woodworking operations.

The Office of Air Quality has determined that the addition of the baghouse requires no changes to the SSOA.

If you have any questions on this matter, please contact Craig J. Friederich, MES Co., at 165 Broadway, Amityville, New York 11701, with a copy to Duane Van Laningham at the Indiana Department of Environmental Management (IDEM), Office of Air Quality, Permits Section, 100 North Senate Avenue, P.O. Box 6015, Indianapolis, Indiana, 46206-6015, at 631-691-3395, ext. 19, or in Indiana at 1-800-451-6027 (ext 631-691-3395).
